At MCFA we care about the health and well-being of our patients and staff, their families, and the Bloomington-Normal Community. That is why we will now be taking extra precautions during the COVID-19 Pandemic.

Effective Immediately we will begin:

- Taking every individual's temperature at their arrival and asking additional screening questions. If you present with a fever or have any symptoms you will be asked to leave, and we will reschedule your appointment for a later date.
- Practicing Social Distancing throughout the building including the waiting room. Please come ALONE to appointments if possible, to limit the number of individuals in the building.
- Discontinuing the use of our beverage station as well as our nail care services for the foreseeable future.

We are sorry for any inconvenience this may cause. Thank you for understanding during these unprecedented times.
